### **The Global Holistic Exchange**

A cohesive group of visionary practitioners instilling hope

Welcome to the Global Holistic Exchange, I'm Deborah Beauvais owner of Dreamvisions 7 Radio Network. The Exchange is a program where we showcase a variety of practitioners who have the common goal of enlightening humankind while bringing harmony to the world.

The Exchange was created for the Radio Host whose desire in hosting a show would be of a shorter commitment. This opportunity consists of airing each show *live*. Radio Host has freedom to create their show including topic/ guests as long as they follow the contract and vision of Dreamvisions 7 Radio Network. Radio Host may choose how many shows— one or more with availability.

The first Global Holistic Exchange Show is Sunday 1-2:00pm est. time, which is currently filled. The second GHES is Sunday 5-6pm est. with the third being Sunday 7-8pm est. Our shows are heard *live* on WBNW1120AM BOSTON, simulcast with WPLM1390AM & WESO970AM as well as steaming live worldwide via the Internet at <http://dreamvisions7radio.com/hosts.htm> reaching people in the local, national and global arena.
